MEMORANDUM FOR THE RECORD

SUBJECT: Results of SIG/TT Meeting of 23 January 1984 (U)

1. Creation of Executive Committee: After opening remarks, the Chairman announced that he is creating an Executive Committee of the SIG/TT to meet some of the dynamic needs of the Government. Permanent members would be State, Defense, and Commerce, and meetings would take place between regular SIG/TT meetings. []

2. NSSD-01-83: Decisions regarding USG organizational and US policy aspects of technology transfer are in a holding pattern pending the outcome of the new Export Administration Act. If the Act is not approved soon, the NSC may be asked to make some decisions. []

25X1

3. US/COCOM Difficulties: The chairman briefly discussed Ambassador Katz's cable concerning the lack of coordination in US positions relative to COCOM, particularly excessive use of bilateral visits by varied US agencies, US strong stance in the list reviews, and US slowness of processing non-US exception case requests. State felt that the bilaterals were not that excessive, and volunteered that it will use its statutory role to arbitrate key US differences. []

25X1

4. Future COCOM Activity: Another High Level Meeting has been proposed for the Fall, 1984 to look at initiatives taken since the last meeting in April 1982. The British have proposed an Intelligence Sub-group of COCOM to share information and analysis among allies. []

25X1

5. HUMINT/TTIC Conference: The chairman announced he will be one of the speakers at the HUMINT collector oriented conference tentatively scheduled to be held in Europe in the Fall, 1984. The purpose of the conference is to raise the awareness of the US Embassy collectors [] to the seriousness of the technology transfer issue and the need for a "country team" concept regarding technology losses..
